

COMAR 4 SLIM PROFILE SINGLE GLAZED FACADE AND PARTITION SYSTEM

COMAR 4

This 45mm x 45mm system integrates fully with COMAR 1 and is often the perfect solution for partitions or less demanding facade work. Glazing pockets suit 4mm to 13.5mm thick glass and a wide range of profiles and components are available to support aluminium or timber doors.

COMAR 4

SLIM PROFILE SINGLE GLAZED FACADE AND PARTITION SYSTEM

- Slim profile, lightweight construction
- Ideal for partitions and less demanding facades
- Versatile and tough
- All extrusions have COMAR screw fixing ports for supreme strength
- Integrates fully with COMAR 1 system
- Range of profiles to support both aluminium and timber doors
- Recessed glazing pockets with gasket selection to suit 4mm to 13.5mm thick glass/panels

MATERIALS

Extruded profiles to BS EN 515, EN 755 and EN 573. Glazing gaskets are extruded from EPDM.

FINISHES

■ Aluminium profiles are finished in the following specifications: silver, bronze and black anodising to BS1615 or BS3987. Liquid organic coating to BS4842. Polyester powder coating to BS6496.

CONSTRUCTION

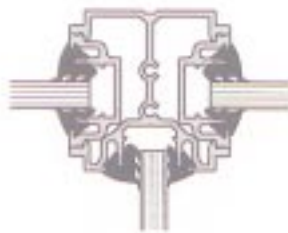

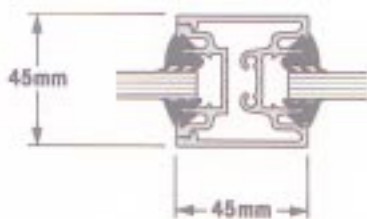

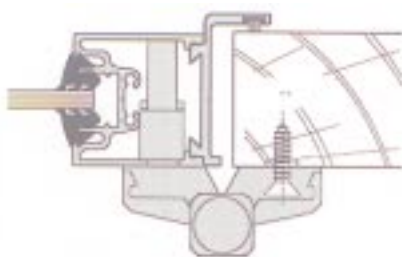

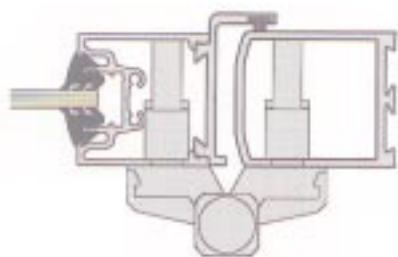

■ A two part channel and plate mullion clip together to form a 45mm x 45mm box section enabling modular sash construction.

GLAZING

Recessed glazing pockets with a wide range of gasket profile options, accepts glass thicknesses of 4mm to 13.5mm. Optional beads and carriers are available for special conditions.

PERFORMANCE

COMAR 4 Framing Systems conform to recognised industry standards adopted by trade associations, i.e: The Council for Aluminium in Building. The system also conforms to many of the requirements for aluminium windows specification BS4873.

TECHNICAL BACK-UP

An experienced Sales Team covers the UK while the Technical Department offers an unsurpassed design and installation advice service to designers, specifiers and fabricators. Simply ring 020 8685 9685.

FOR MORE INFORMATION

To find out more about this or any other Comar Architectural Aluminium System, or to obtain your personal copies of the COMAR TECHNICAL MANUALS call Madeline Whitehead on 020 8685 9685 or fax on 020 8646 5096.

IT'S ALL IN THE TECHNICAL MANUALS...

The Comar Technical Manual is packed full of information on all Comar Architectural Aluminium Systems, including: specifications, profile broadsheets, composites, framing limitations and glazing options.

- ▶ All COMAR products are supported by full AutoCAD technical backup
- ▶ All COMAR products are covered by a full Design Warranty.

Comar projects are carried out using approved fabricators throughout the UK and Europe, supervised by Comar Architectural Aluminium Systems, where specified.
